Dear Mrs. Kendhammer:

The Public Service Commission staff is in the process of completing an analytical review of your utility's 2000 annual report. In order to complete this review, we request the following information:

Please provide more detail for the dollars reported in both Accounts 145 and 233 on page F-18 and follow this procedure in the future. When there is not enough room on the particulars line for the explanation a schedule footnote should be added.

We appreciate your cooperation in providing the above information. These recommendations are intended to provide accounting assistance and should not be construed as criticisms of utility personnel. If you have any questions, please feel free to contact me at (608) 267-9198. Please respond within 30 days of this letter. We prefer that you respond by e-mail if it is convenient for you to do so. ## WATER OPERATING SECTION FOOTNOTES

---

### Other Operating Revenues (Water) (Page W-04)

Due to the high amount of delinquent utility bills placed on the tax roll, the Utility decided to start charging the additional allowable 10% penalty for amounts placed on the tax roll. This penalty is allowable per state statute 66.069.

---

### Water Operation & Maintenance Expenses (Page W-05)

A/c 640: During 1999 the Utility was required to do phosphate testing which cost approx \$3,600.

A/c 680: First full year for the Clerk/Treasurer/Administrator and Deputy Treasurer whose salaries were charged 1/4 to the Water Utility.

A/c 688: During 1999 the Village had expenses related to their rate study.

---

### Property Tax Equivalent (Water) (Page W-07)

At the Village Board meeting on September 3, 1996, the Board passed a resolution to allow the Water Utility to pay only half of the computed tax equivalent for each of the next 5 years. Therefore, the lower amount authorized is \$3,845 or half of the computed equivalent for the current year. See the attachment to the 1997 PSC report for a copy of the resolution.
